

## Construction contracts & contract management

Task	Activity
1)	<p>Reflection on being 'an intelligent client'.</p> <p>a) Consider the following questions and bring your thoughts with you to the second days' training.</p> <ul style="list-style-type: none"> <li>• What do you understand the term "intelligent client" to mean?</li> <li>• Would you describe your local authority as an intelligent client?</li> </ul>
	<p>b) Bring any examples of what you think is good practice in your authority, to share with the group.</p>
2)	<p>What is your preferred conflict style?</p> <p>Try this short assessment on conflict styles to learn something about your own preferred style.</p> <p>Do the online version and print it out to bring along to refer to privately during the day.</p> <p><a href="https://www.usip.org/public-education-new/conflict-styles-assessment">https://www.usip.org/public-education-new/conflict-styles-assessment</a></p>
